Dear Dr. Hashim:

I would like to take this opportunity to thank The Council for Tobacco Research-U.S.A., Inc. for their generous support of $1,500 for the upcoming meeting entitled "The Cytoskeleton and Cell Function". Your support will contribute to the success of the conference. I also wish to add that in this period of severe cut-backs in government spending, contributions from the private sector become all the more important.

Sincerely yours,

David M. Helfman
Senior Staff Scientist
